PARITOSH SAINI

Student Intern

+91 8264640670 • sainiparitosh6@gmail.com • Pathankot,India

Summary

I want to be associated with a professional firm having a team driver environment where I can utilize and apply my knowledge and skills. This would enable me to learn, grow and eventually fulfill goals of the organization for it to be successful.

Skills

languages: JAVA · C++ · Python · JavaScript

Frontend: HTML · CSS · Bootstrap

Database: SQL(MySql)

Other: Data Structure and Algorithm

Technology: GitHub · VS Code · IntelliJ IDEA

Experience

Marpu Foundation   Hyderabad, India
Content Writer   10/2023 - 11/2023

Marpu Foundation, a non-profit catalyst for positive change, is dedicated to promoting volunteerism, ecological mindfulness, and sustainable development. As a Content Writing Intern, I played a key role in crafting compelling narratives, emphasizing clear communication to inspire action and support for the organization's mission of creating a more equitable and compassionate future.

- Content-Driven Web Enhancement .
- Cross-functional Collaboration.
- Innovative Communication Solutions.

Projects

Codefolio

https://sainiparitosh6.github.io/portfolio/

"Crafted an innovative portfolio showcasing my skills and projects with precision, utilizing HTML, CSS, and JavaScript to create a dynamic and visually appealing online presence."

WeatherHub

https://sainiparitosh6.github.io/Weather-App/

"Engineered a responsive weather application using API integration, demonstrating proficiency in HTML, CSS, and JavaScript to deliver a seamless and user-friendly weather experience."
